Committed to continuous learning and staying updated with emerging technologies to contribute to the company's success, seeking full-time Developer roles.

SKILLS

Programming Languages Python, C++, C

Web Development Django, HTML, CSS, JavaScript, Bootstrap, WordPress

Design and Prototyping Figma, Canva

Version Control and IDEs Github, PyCharm

Data Base Mysql, MongoDB

EXPERIENCE

SMEC LABS • kochi, India • 09/2023 — Present

Python Full Stack Developer Internship

- Developed dynamic web applications using Python-based frameworks like Django and Flask.
- Utilized relational databases such as MySQL and PostgreSQL to store and manage application data.
- Implemented front-end features using HTML, CSS, and JavaScript to enhance user experience.

SMEC LABS • kochi, India • 02/2024 — 03/2024

WordPress Developer Intern

- Developed and customized WordPress themes and plugins to meet client requirements and project specifications.
- Collaborated with design and content teams to translate visual designs into functional WordPress websites.
- Implemented responsive design principles to ensure optimal user experience across various devices and screen sizes.

PROJECTS

Travel Agency Website • [Link](#) • 01/2024 — 04/2024

SMEC

- Designed a comprehensive prototype using Figma to conceptualize the user interface and user experience.
- Developed the frontend of the website utilizing a combination of HTML, CSS, JavaScript, and Bootstrap, ensuring a sleek and responsive design.
- Implemented the backend functionality using Django framework, leveraging its robust features for efficient data management and user authentication.

- Integrated MySQL database to store and manage user data, providing a scalable and secure storage solution.
- Offered users a seamless browsing experience with the ability to choose from a variety of travel packages across different countries.
- Implemented a sophisticated search feature, allowing users to easily find and select their desired destination by entering specific details.
- Ensured compatibility across various devices and screen sizes, optimizing the website for both desktop and mobile platforms.

Python Fullstack Website • [Link](#)

SMEC

- Utilized Figma to craft a comprehensive prototype, meticulously planning the layout and design elements.
- Developed a dynamic Python full-stack website leveraging WordPress, harnessing its flexibility and scalability.
- Tailored WordPress themes and plugins to align with organizational branding, creating a visually striking and cohesive online presence.
- Implemented responsive design techniques and conducted rigorous cross-platform compatibility testing to guarantee seamless performance across all devices and screen sizes.
- Employed user-centric principles to enhance the website's usability and accessibility, ensuring a satisfying browsing experience for visitors.
- Integrated custom functionalities and features to meet specific organizational requirements, enhancing the website's functionality and user engagement.

EDUCATION

Bachelor of Electronics and communications in Electronics and communications

Ktu University • thrissur, India • (GPA: 7.7) • 01/2020 — 01/2023

As an active participant in the NSS (National Service Scheme) and robotic clubs, I have contributed to various community service initiatives and robotics projects aimed at fostering social responsibility and technological innovation. Additionally, my involvement in robotic clubs provided me with hands-on experience in robotics, enhancing my skills in problem-solving, teamwork, and creativity. These experiences have not only broadened my horizons but also instilled in me a sense of civic duty and a passion for STEM (Science, Technology, Engineering, and Mathematics) fields

Diploma in Electronics and communications in Electronics and communications

Govt polytechnic • thrissur, India • 01/2017 — 01/2020

As a diploma student, I actively participated in various extracurricular activities that enriched my overall learning experience. Notably, I represented my institution in state-level table tennis tournaments, showcasing my passion for sports and competitive spirit. Additionally, I volunteered for the National Service Scheme (NSS), where I contributed to community service projects aimed at addressing social issues and promoting welfare initiatives. My participation in sports and volunteer activities not only honed my leadership and teamwork skills but also instilled in me a sense of responsibility and empathy toward societal needs. These experiences have been instrumental in shaping my holistic development and fostering a well-rounded approach to personal and professional growth.
